Dedication

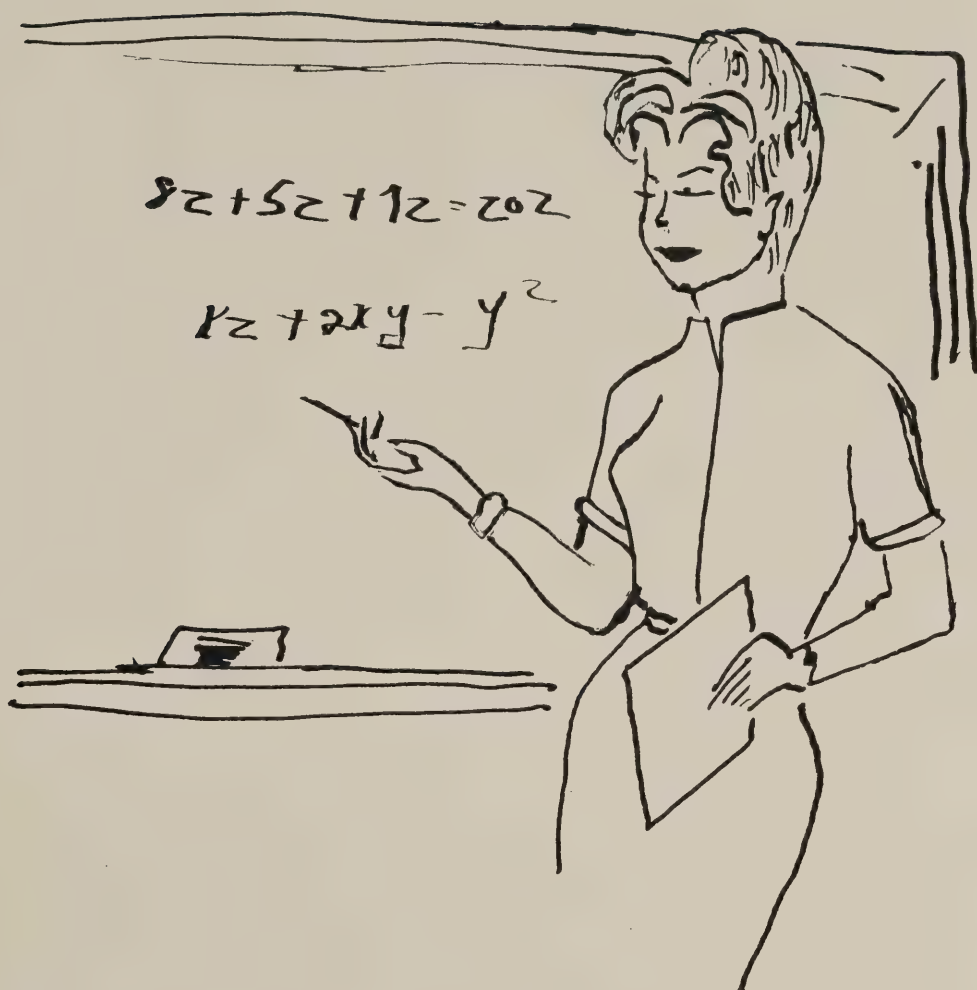

We, the Senior Class of 1963, dedicate with great joy to you, Mrs. Cecil Roach and Mrs. Shirley Snead, this edition of the ARCHWAY. Without your patience, confidence, and encouragement we would never have reached our many goals. You, Mrs. Roach, so outstanding in the field of math, have led students to an entirely different outlook upon education, while you, Mrs. Snead, excel in the History department. Through your teachings, students have a better knowledge of the world in which they live, and

the guidance and advice from both of you have been a source of strength and courage to us as we finish our high school careers and plan our life's work.

The contributions you have given to us cannot be expressed in words, nor can we, in presenting this book, show our gratitude. In our royal years you have added many MOMENTS TO REMEMBER.

At the left, you see Mr. Fuller, a Senior sponsor, as he is concentrating on getting the students in the building on one of his days of bus duty. He is either pulling the girls' hair, teasing the teachers, or else he just stands on the steps and talks to the boys about his "409 Volkswagon."

The students enjoy the teachers being friendly toward them, because it gives the students a feeling that the teachers consider themselves the same as the students, members of Dan River High School.

Here you see boys who look like an army of "hobos." This is the greenhand initiation in which all boys must participate to become a member of the Future Farmers of America.

This is one of the many features of the Agriculture Department.

At the right, four girls are busy at work in the kitchen of the Home Economics Department. Each girl is putting the homemaking knowledge she has gained in Home Economics class to practical use. The homemaking department teaches girls the basic fundamentals of housekeeping and homemaking.

We feel that this is an important part of the extra-curricular activities carried on at Dan River this year.

Each student who is enrolled in one or more business subjects may become a member of the Business Club merely by making the requirements for membership.

Some purposes of the Business Club are:

1. Develop competent, aggressive business leadership.
2. Strengthen the confidence of young men and women in themselves and their work.
3. Create more interest and understanding in the intelligent choice of business occupations.

Science Club

Officers are as follows: FROM L. to R.: Elaine Jones, J. C. Dodson, Andy Lester, Janie Owen, and Ray Goad.

The Science Club is an organization for the purpose of helping students to understand and better appreciate the role of science in their lives, to enable them to understand and enjoy their environment more fully, to help individuals reason scientifically, and encourage the mastery of subject matter in preparation for possible college entrance examinations.

The Science Club wishes to supplement and build around everyday science principles, of the classroom, through observation field trips, experiments, and up-to-date information. To these ends the students everyday experiences must be reinforced by carefully directed observation in the Science Club and by out-of-school activities designed to crystallize the habits of careful, accurate observation and judgement.

The sponsors of the Science Club are Mr. Alvis Barker and Mr. T. Neal Dodson.

Journalism Club

The Offices and Staff of the Journalism Club are as follows: President - Linda Campbell; Vice-President - Brenda Clark (not pictured) Secretary - Gloria Morris; Treasurer - Nadine Morris; Reporter - Vivian Gibson; Editor-In-Chief - Donna Campbell; Feature Editor - Joan Johnson; News Editor - Betty Farmer.

L. to R. SEATED: Linda Campbell, Joan Johnson, Lois Booth, Evelyn Dellis, and Marcia Jenkins. L. to R. STANDING: Ralph Shriver, Sylvia Wilkerson, Jimmy Haley, Marilyn Neal, Braxton Guill, and Carolyn Adams. These are the ones to make our Senior Play a success.

Our Senior Play was to be presented March 28, after our yearbook had gone to press.

We cast our play early so pictures could be made and that we might have these "Moments to Remember" as the years pass.

Our play was to be directed by Mrs. Naomi Houser and Mr. Frank Fuller, our sponsors. These two have been just wonderful to each of us this year and their patience and guidance will always be remembered.

Junior Play

Ambrose (Tommy Foster) and Dan'l (Jerry Adams) discuss their problems over a cup of coffee.

The Junior Class of 1962-1963 presents

Desparte Ambrose

The Junior Class pulled the curtains for "Desparte Ambrose" Nov. 1, 1962. Everyone enjoyed the play as much as the cast enjoyed giving it. The class is looking ahead to the '63-'64 Senior Play. The cast included: Jerry Collins, Tommy Foster, Jerry Adams, Woody McCain, Pat Webb, Brenda Marshall, Peggy Ingram, Faye McCormick, Faye Adams, Iris Holt, Jimmy Campbell, Eugene Dix, Davey Cole, and Jimmy Hogan. The play was given under the direction of our three wonderful sponsors: Mrs. Shirley Snead, Mrs. Cecile Roach, and Mrs. Naomi Hodges. Without their help and patience we could never have presented this play.

Sheriff (Woody McCain) and Dan'l argue about the laziest man in Dead Man's Gulch, namely Dan'l.

"Stairway To The Stars"

Thus the figure is begun. In the picture above Susan Fitts and Ronnie Motley begin the star shaped figure which is symbolic of the banquet theme, "Stairway to the Stars". The dance is performed by the officers of the junior and Senior classes and their escorts.

The Junior-Senior Banquet is an event that every high school student looks forward to with great anticipation. The Junior Class honors the Senior Class with a formal dinner and dance.

The theme was carried out during the entire evening by Marilyn Neal and her version of "Twinkle Twinkle Little Star". Valerie and Steve Fitts added more delight to the occasion with their rendition of "Don't Let The Stars Get In Your Eyes". The theme song "Stairway to the Stars" was sung by Donna Campbell.

Pictured here is Mrs. Roach, Junior Sponsor, as she crowns Donna Campbell and J. D. Clark, Queen and King, respectively, of the Junior-Senior Banquet.

Each year the Parent Teacher Association sponsors a fall carnival at which large crowds gather for fun and laughter.

The highlight of the carnival is the crowning of a King and Queen from the high school and Prince and Princess from the elementary school.

Another annual event at Dan River High School is the Christmas party sponsored by the Student Co-operative Association. The queen of the party is chosen by secret ballot. This years' "Miss Merry Christmas" is Donna Campbell, the candidate from the Senior Class.

Boys' and Girls' State

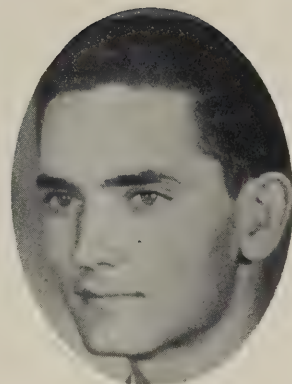

Valerie Fitts

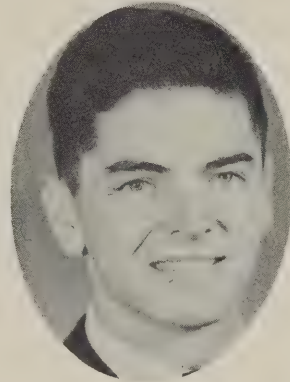

Donna Campbell

Boys' and Girls' State is an assembly of boys and girls who meet together each year to discuss Virginia government. You learn how the states' representatives are chosen, how to register for voting, how state officials are elected, and how to pay taxes. State Elections are held and the two political parties, Federalists and Nationalists, have conventions. Many helpful pamphlets were given to us to help us better understand the purpose of government. Speeches are given by some of the most important and greatest people in Virginia, all emphasizing the importance of the people in our free and independent United States using our freedoms and realizing how thankful we should be that we have these freedoms.

These boys make up the Dan River Wildcats. This season has proved to be a successful one for them as they have lost only four games. The boys are known for the best defense in the county and hold first place in the Southern District. They have defeated every team they have played at least once.

Since we are only losing two players of the main five, this should leave us in good shape for next years team.

Congratulations to Coach Myers and his fine group of basketballers.

Education is a companion which no misfortune can decrease, no crime destroy, no enemy alienate, no despotism enslave, at home a friend, abroad an introduction, in solitude a solace and in society an ornament. It chastens vice, guides virtue, and gives grace and government to genius. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred fold.

The voice with a smile

Today, as always, the C&P voice with a smile is as close as "Operator" on your dial. Intelligently, cheerfully, the "Operator" handles phone calls to faraway places and intricate day-to-day problems of telephone users. Her job is interesting, important, demanding and rewarding. She's an indispensable member of our C&P communications service team.
